

DID Resolution

A work item of the W3C CCG

24th October 2019

IPR rules apply!

Zoom Call:

<https://zoom.us/j/7077077007>

Text Chat:

<http://irc.w3.org/?channels=ccg>
(type q+ to get into the queue)

This call is being recorded!

Agenda Thursday 24 October 2019

Welcome and CCG IPR reminder

Call info and scribe selection

Agenda creation/review/prioritization

Proposed improvements to DID URL Dereferencing algorithm, to better account for fragments (see #47 and RWoT#9 insights)
